

2010 Youth High Point Rules

AAAYA High Point Award program is open to all youth members, 18 years or younger, in good standing during the duration of the High Point season. The horse must be registered with the Arabian Horse Registry of America, the Canadian Arabian Horse Registry or the International Arabian Horse Association Half Arabian or Anglo Arabian Registry.

Members may enter as many divisions as they want. A fee of \$10 per division must accompany the nomination form. A copy of the horse registration papers and Rider/Handler AHA membership card must be included with the initial nomination form/s before a member is eligible for points to be counted.

Points must be submitted on forms provided by AAHA available on the website or from the Points Secretary. Points must be filled out completely or points will not be counted. Print outs from the AHA are also acceptable. You are responsible for sending these in.

Mail Nomination forms and point forms to the High Point Secretary, Carrie Cooper. Points can be earned from November 2, 2009 through November 1, 2010. Points received after November 5, 2010 will not be counted.

All shows will count for points, regardless of location or type. Shows can be rated (ie. Class A) or non-rated (local/open/community) shows. Points however, vary between the divisions.

The show secretary must sign your paperwork, unless it is printed off of AHA. The youth members name, show name, date, rating, class, placing, number in class and secretary name must be on paperwork submitted. Incomplete forms will not be counted.

All records will be available to any member after the announcement of the winners at the Year End Banquet. In the case of a conflict over points an auditor will be appointed by the board who will review the point records. In the event of a tie the award will be made to the youth that has shown in the class or event with the most entries.

Awards will be presented at the AAHA Year End Banquet. If you are unable to attend, please contact someone to pick up your award. If you are unable to do so, it will be your responsibility to make arrangements with the High Point Secretary to get your awards. You will be responsible for paying all mailing expenses.
