## **MAIN RING ENTRY RULE**

**AR107**

- 1. When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued. a) Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate. b) If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded. c) Once the first horse has entered the in-gate, a steady stream of horses must be maintained. d) Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed and judging will commence. e) A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between). f) Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.**
